MEMORANDUM FOR THE PRESIDENT

Looking to your forthcoming final report on action in Cambodia, it is the suggestion of my P.R. group this be done on July 1 or 2.

I believe that Secretary Rogers will be in Vietnam or at some place in Southeast Asia at that time and through the 10th of July. It might be worth considering having five minutes of your time used by Rogers via satellite to report directly from Saigon to you and the people as to his conclusions. I think this would add interest and I think a Rogers tie in from there would gain additional support for the all-important statement you will make. Possibly, this would be considered a gimmick and I think the question would be whether the criticisms for a gimmick would outweigh public interest in such a report.
